Which garment do you need? \_\_\_\_\_

Which pump do you need? \_\_\_\_\_

\*Item #SC-3008-DL is the only pump approved by SAIL. This is an 8-chamber system that costs \$4731.00.

Do you want us to give you a quote for you to submit to your insurance? YES / NO

\*Quote can only be given after a measurement appointment.

\*Jolly's does not direct bill to third party insurance companies.

### **Things required prior to ordering:**

- 1. Doctor's prescription.**
- 2. Questions for your doctor or nurse:**
  - a. Chamber compression level. What is the level of compression each chamber must be set to?**
  - b. What is the length of therapy that is needed? (Time)**
  - c. Is pre-therapy mode required?**
- 3. A measurement form for the garment must be filled out. Please make an appointment to come into Jolly's and we will measure you. Measurements must be taken by a Jolly's staff member.**
- 4. Letter of approval of grant from SAIL (if applicable).**
- 5. Payment. Jolly's requires a payment in full for the pump and garment before ordering (minus any grant money provided from the government).**

\*Please note that standard fit garments normally arrive in 5-7 business days (most people fit into these garments), and custom fit garments can take 2-4 weeks to arrive.

\*Also note that all Bio Compression items are special order items, and therefore are final sale. Orders cannot be cancelled after they have been ordered.

**Please email, fax, or drop off this form and required documents  
and we will get back to you within one business day.**
